

CRS Activity 510

Progress Report on Implementation of Credited Plan

VILLAGE OF ROYAL PALM BEACH

NFIP Number: 120225

**COMMUNITY RATING SYSTEM FLOODPLAIN MANAGEMENT PLAN
Annual Evaluation 2020**

Name of Plan: The Village of Royal Palm Beach uses the *Palm Beach County Unified Local Mitigation Strategy* (LMS) for credit under the Community Rating System (CRS) Activity 510, Floodplain Management Planning.

Date of Adoption of Plan: November 20, 2014

1. How can a copy of the original plan or area analysis report be obtained:

The 2020 LMS is posted on the Palm Beach County website at:

<http://discover.pbcgov.org/publicsafety/dem/Pages/Publications.aspx>

This annual evaluation report can be accessed by going to:

<http://www.royalpalmbeach.com>

2. Describe how this evaluation report was prepared and how it was submitted to the governing body, released to the media, and made available to the public:

This evaluation report was prepared by the CRS coordinator with input from Engineering and Public Works staff regarding future project and needs.

The status of all mitigation projects and success stories are reported and discussed at LMS General Meetings and through periodic briefings to the LMS Steering Committee. All general meetings are publicized through media releases and posted announcements.

The status of the Village's flood mitigation projects and general Capital Improvement Projects are discussed in the Village's budget meeting hearings which are publicly held.

The report was sent to the Village Mayor and Council on April 13, 2020 via a memo and has been made available to the media and public on the Village’s website.

3. Provide a description of the implementation of each recommendation or action item in the action plan or area analysis report, including a statement on how the project was implemented or not implemented during the previous year:

There are 85 projects on the on the *LMS Project Prioritized List (PPL)* dated November 2020. The Village of Royal Palm Beach has one project on the list ranked 33:

#32	LMS-006525	Riviera Beach	Riviera Beach Wellfield Resiliency Upgrades	Infrastructure (Water/Sewer/Drainage)	\$ 4,200,000	67.85
#33	LMS-622298	Royal Palm Beach	Bridge Slope Stabilization and Canal Dredging, Phase II	Flood Control/Reduction and Waterway Management	\$ 2,600,000	67.43
#34	LMS-626499	Lantana	N. Atlantic Drive Drainage Improvements	Flood Control/Reduction and Waterway Management	\$ 518,000	67.42

The Bridge Slope Stabilization Project Phase I is a Capital Improvement Project in the FY 2018-2022 Capital Improvement Plan. This project was completed in Fall 2020.

4. Discuss why any objectives were not reached or why implementation is behind schedule:

The Village of Royal Palm Beach is on track with budgeting and constructing FMP related projects.

5. What are the recommendations for new projects or revised recommendations?

Additional projects are being reviewed for improved drainage canal debris removal techniques.
