CONTENTS

SPIKE IN VIOLATIONS PROMPTS REMINDER

It may be summer, but kids are still riding school buses across the village. Know the rules for sharing the road.

BEFORE ANYTHING ELSE, PREPARATION IS THE KEY TO SUCCESS

That's what Alexander Graham Bell once said. We're not sure if he even rode out a hurricane, but he was right!

EVERYTHING YOU EVER WANTED TO KNOW...

04 DON'T DUMP IN STORM DRAINS

Anything that flows down a storm drain flows right into our waterways. Make sure nothing but rainwater is going down the drain.

GOT CHEMICALS? WE GOT INFO

Batteries to motor oil. There are a lot of things that never go in your trash. What are they?

HELP US SEE THE LIGHT

When it comes to broken street lights, it's "If you see something, say something."

14 THE CULTURAL CENTER

THE MOST ELEGANT PLACE TO CELEBRATE

9 SUMMER REC PROGRAMS

Athletics to Zumba! Toddlers to Seniors. This summer there is something for everyone at the one of three recreation hot spots.

12 COMMONS PARK READY FOR RENT

It's not just 160 beautiful outdoor acres. Commons Park is one of the area's hottest spots to throw a party.

MAKE SURE YOU KNOW THE NEW RULES FOR MAINTAINING TREES

Newly revised and easier to understand rules for trimming and pruning trees are now in the books across Royal Palm Beach.

Late last year, the Village Council updated its rules for pruning and trimming, saying its priority was a "preservation approach" to landscape guidelines. June 5th marked the start of full enforcement.

The trimming and pruning rules apply to all trees on residential and non-residential properties. Village officials urge you to become familiar with the new rules, which can be found on the Village website:

www.royalpalmbeach.com

Fort Lauderdale News, March 19, 1960

VILLAGE MARKS 60TH BIRTHDAY

On August 7, 1959 NASA launched its first satellite that would send back pictures of earth from space. It was an extraordinary accomplishment, but not the only one on that day. Inside a West Palm Beach office building, just after 2:00 pm, the Village of Royal Palm Beach was born as the first village officials were sworn in.

This year marks sixty years for the Village of Royal Palm Beach. The village marks the date at the Royal Palm Beach Cultural Center on Sunday, June 30th from 4pm to 7pm. The event includes food, beverages and the recognition of 6 honorees who have provided selfless contributions to the Village of Royal Palm Beach.

Each member of the Village Council and the Village Manager selected someone who has made a significant contribution to the village during its 60-year history. The individuals are Jess Santamaria, Jackie Larson, Dan Splain, Phyllis Katz, Rob Hill and Diane DiSanto.

THREE THINGS TO REMEMBER

➔ Storm Drains

Please keep in mind that it is everyone's responsibility to insure that our waterways are kept clean.

Oils and other substances should never be put down a storm drain. If you see anyone improperly disposing of waste into the storm drain system or any other illicit discharge please call Public Works at (561) 790-5122.

➔ Solid Waste Authority

Did you know that the following items can be discarded at the Solid Waste Authority?

Antifreeze, Used Motor Oil & Filters, Car and Rechargeable Batteries, Fluorescent Bulbs, Propane Tanks, Electronics.

561- 697-2700

Hours: Monday – Friday

7:00 am – 5:00 pm

Saturday 7:00 am – 3:00 pm

➔ Street Light Information

To report a street light out, flickering or exposed wiring you can contact our Public Works office at 561-790-5122.

We will need to know the address that the light is directly in front of or the pole number which is located on the side of the pole.

MARK YOUR CALENDAR

Royal Palm Beach 60th Anniversary Ceremony

Held at the Royal Palm Beach Cultural Center on Sunday, June 30th from 4pm to 7pm. The event will include food, beverages and the recognition of 6 honorees who have provided selfless contributions to the Village of Royal Palm Beach.

July 4th Spectacular

Join us at Commons park for our annual July 4th Spectacular event. Festivities begin at 6am with a Bassmasters fishing tournament followed by our sand volleyball tournament. The event will also include kayaking, paddleboarding, a free kids fun zone, a cornhole tournament, a ladder golf tournament, a food truck expo, craft vendors, a Lynard Skynyrd tribute, a Bruce Springsteen Tribute, a Zambelli Fireworks display and much more.

July is Recreation and Parks Month

Join us at Commons Park on Saturday, July 20th to Celebrate Recreation and Parks month. The event will include waterslides in the great lawn, an interactive DJ, Kayaking, Paddleboarding, a Woofapalooza at the dog park and more.

NO SCHOOL DOESN'T MEAN NO RULES

Drivers Be Warned: The summer slide isn't just for students.

This is the time of year when drivers tend to forget – or even worse – ignore the rules for sharing the roads with school buses. The Palm Beach County Sheriff's Office in Royal Palm Beach says there has been a recent spike in the number of school zone violations in the Village.

Thousands of children still ride school buses during the summer, attending both classes and camps. When you see a stopped school bus with the red lights flashing, here is what the law says you must do:

316.172 Traffic to stop for school bus.

(1)(a) Any person using, operating, or driving a vehicle on or over the roads or highways of this state shall, upon approaching any school bus which displays a stop signal, bring such a vehicle to a full stop while the bus is stopped, and the vehicle shall not pass the school bus until the signal has been withdrawn. A person who violates this section commits a moving violation, punishable as provided in chapter 318.

(1)(b) Any person using, operating, or driving a vehicle that passes a school bus on the side that children enter and exit when the school bus displays a stop signal commits a moving violation, punishable as provided in chapter 318, and is subject to a mandatory hearing under the provision of s.318.19.

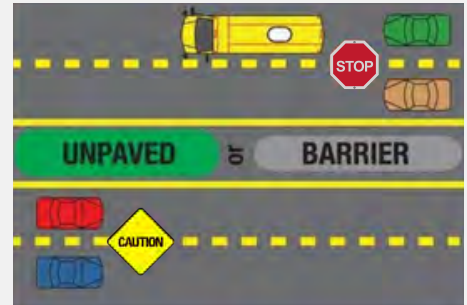

318.19

(2) The driver of a vehicle upon a divided highway within an unpaved space of at least 5 feet, a raised median, or a physical barrier is not required to stop when traveling in the opposite direction of a school bus which is stopped in accordance with the provisions of this section.

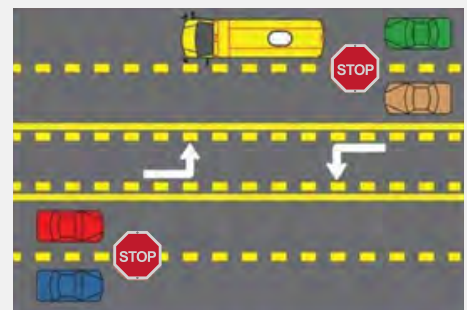

(3) Every school bus shall stop as far right of the street as possible and shall display warning lights and stop signals as required by rules of the State Board of Education before discharging or loading passengers. When possible, a school bus shall not stop where the visibility is obscured for a distance of 200 feet either way from the bus.

TWO LANE: Vehicles traveling in both directions **MUST** stop.

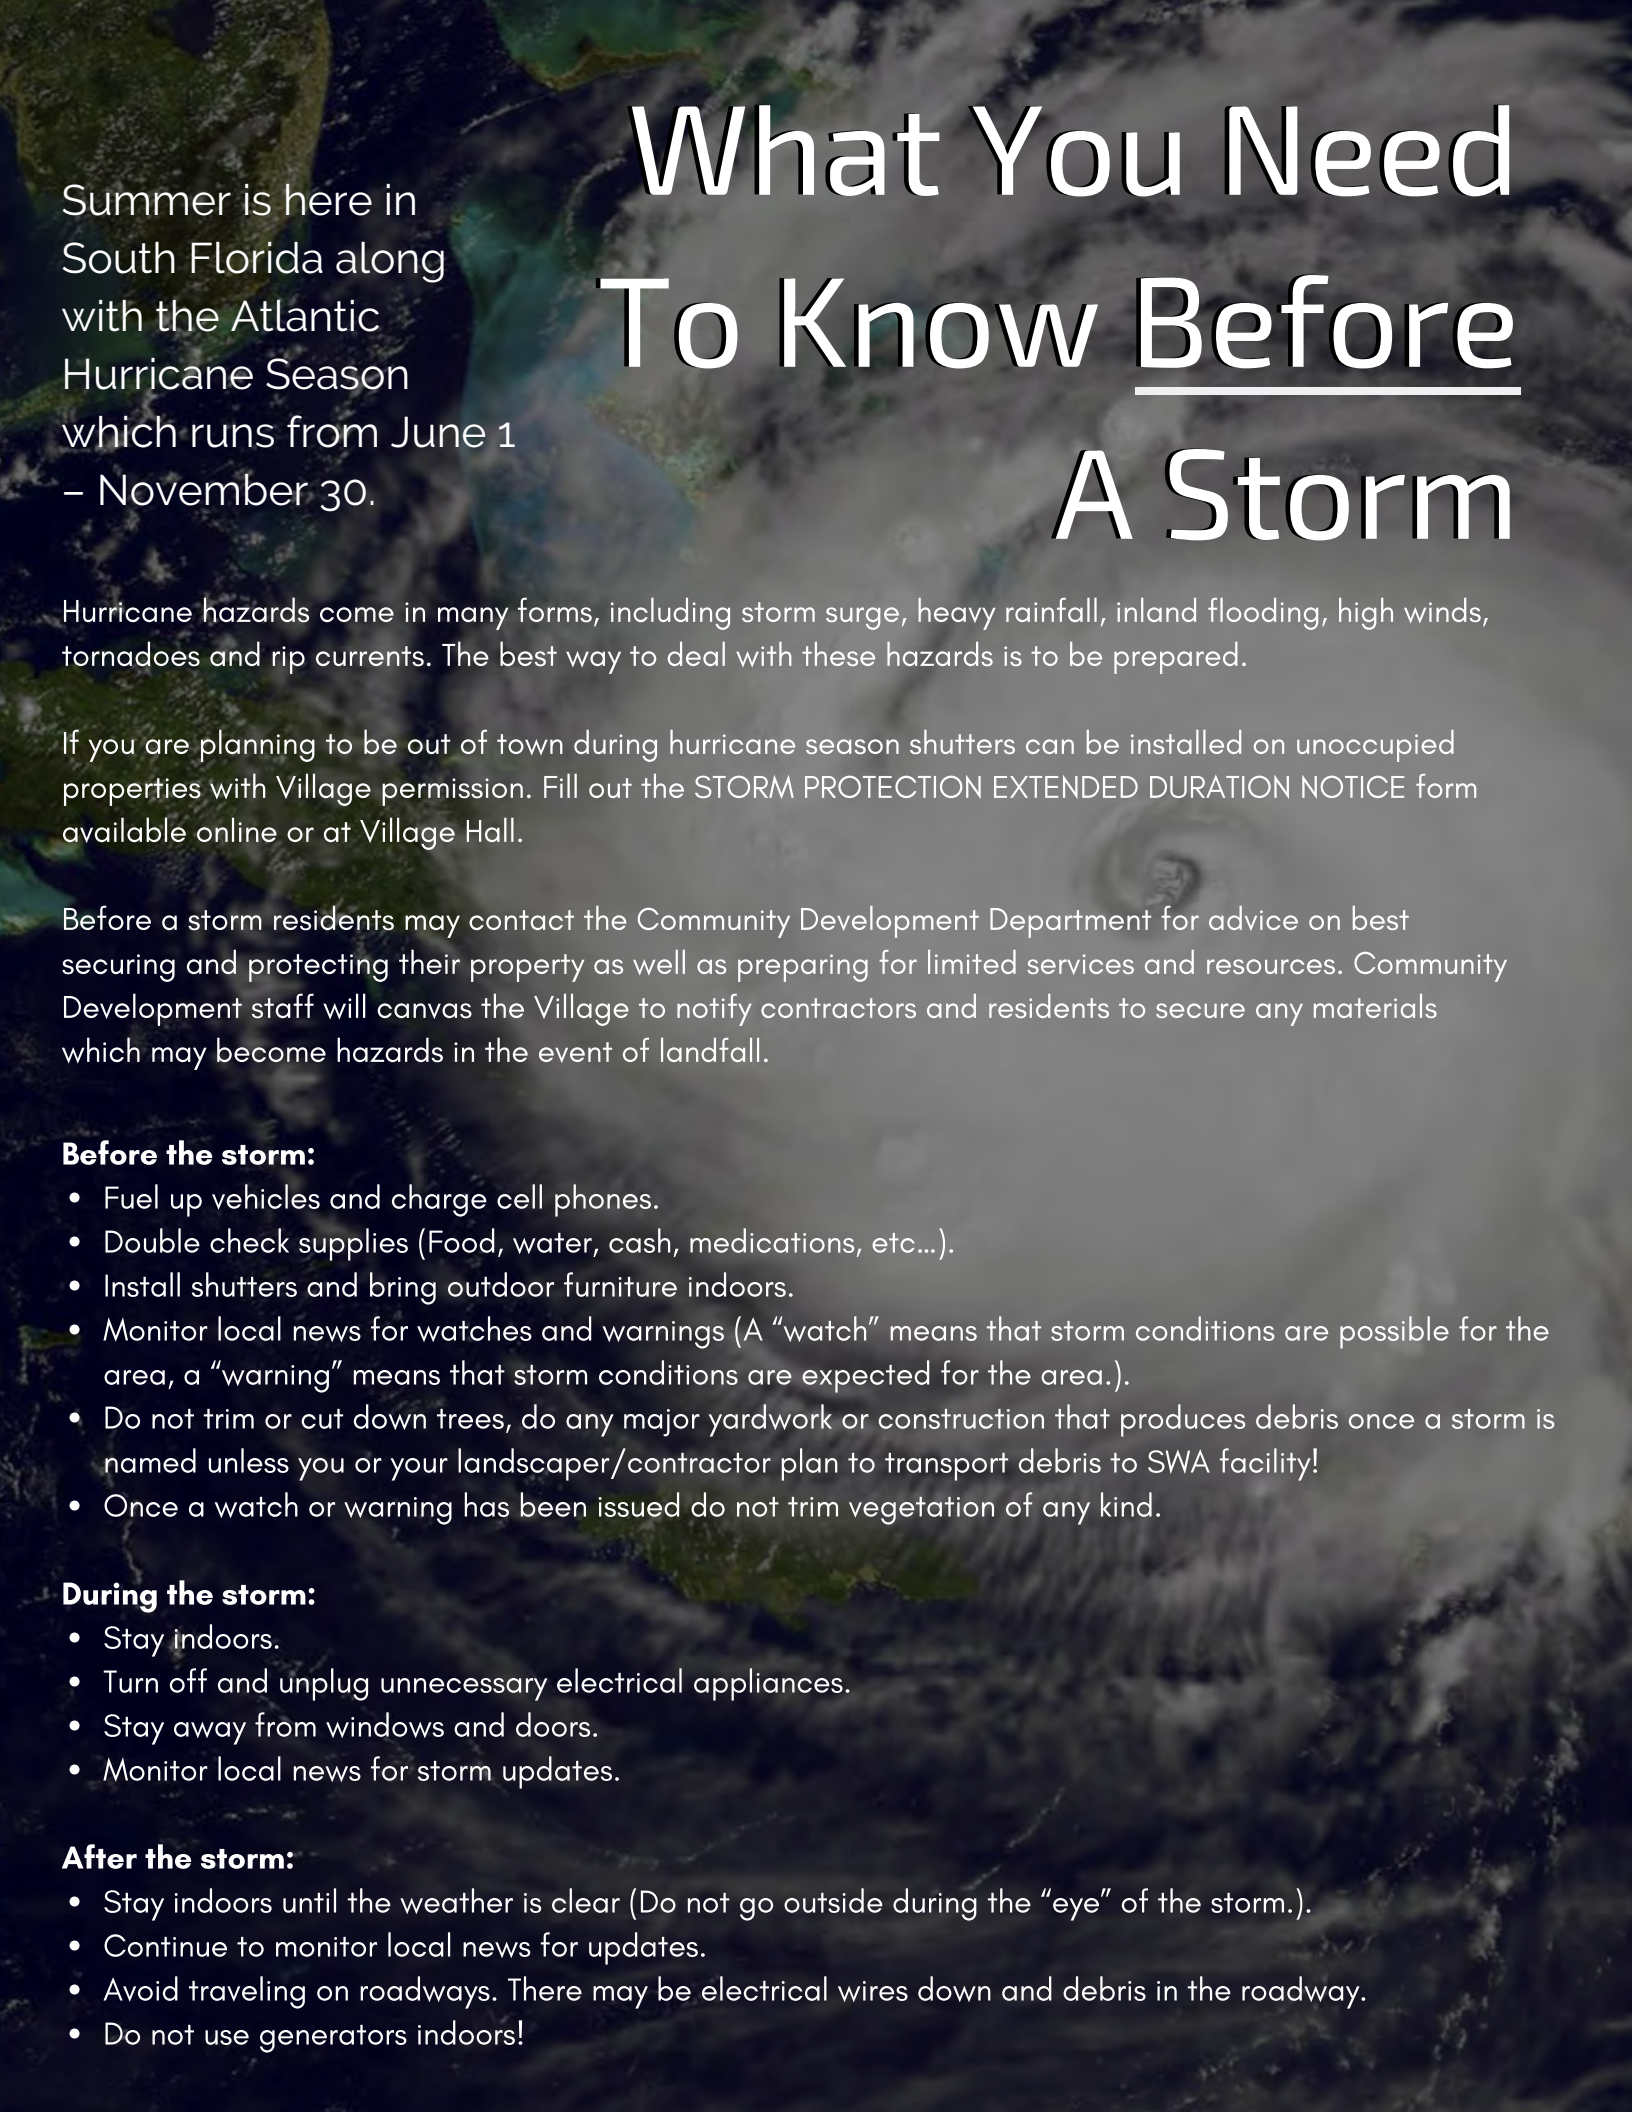

DIVIDED HIGHWAY: (Unpaved space (min 5 ft) OR any raised median or physical barrier) Vehicles behind bus **MUST** stop. Vehicles traveling in the opposite direction proceed with caution.

MULTI-LANE PAVED ACROSS: Vehicles traveling in both directions **MUST** stop.

Safety Tips

- Children who rush are at greater risk of being injured. Get to the bus stop early.
- Stay three giant steps away from the road until the bus comes to a stop and the door opens.
- Never walk behind a school bus.
- Cross at least ten feet in front of a bus and make sure the driver sees you before stepping off curb.
- Wait until no cars are coming from either direction before crossing the street.
- If a car approaches, make eye contact with the driver and wait for the OK signal to cross.
- Conversations and play time should wait until you are safely seated, or safely away from the bus.
- If you drop something outside the bus, NEVER try to pick it up. Always tell the driver and wait for his or her instructions.

What You Need To Know Before A Storm

Summer is here in South Florida along with the Atlantic Hurricane Season which runs from June 1 – November 30.

Hurricane hazards come in many forms, including storm surge, heavy rainfall, inland flooding, high winds, tornadoes and rip currents. The best way to deal with these hazards is to be prepared.

If you are planning to be out of town during hurricane season shutters can be installed on unoccupied properties with Village permission. Fill out the STORM PROTECTION EXTENDED DURATION NOTICE form available online or at Village Hall.

Before a storm residents may contact the Community Development Department for advice on best securing and protecting their property as well as preparing for limited services and resources. Community Development staff will canvas the Village to notify contractors and residents to secure any materials which may become hazards in the event of landfall.

Before the storm:

- Fuel up vehicles and charge cell phones.
- Double check supplies (Food, water, cash, medications, etc...).
- Install shutters and bring outdoor furniture indoors.
- Monitor local news for watches and warnings (A “watch” means that storm conditions are possible for the area, a “warning” means that storm conditions are expected for the area.).
- Do not trim or cut down trees, do any major yardwork or construction that produces debris once a storm is named unless you or your landscaper/contractor plan to transport debris to SWA facility!
- Once a watch or warning has been issued do not trim vegetation of any kind.

During the storm:

- Stay indoors.
- Turn off and unplug unnecessary electrical appliances.
- Stay away from windows and doors.
- Monitor local news for storm updates.

After the storm:

- Stay indoors until the weather is clear (Do not go outside during the “eye” of the storm.).
- Continue to monitor local news for updates.
- Avoid traveling on roadways. There may be electrical wires down and debris in the roadway.
- Do not use generators indoors!

What You Need To Know After A Storm

Debris Removal:

Storm debris will be removed from rights-of-way, Village owned lands and all areas that have curbside garbage pickup. This includes gated communities with curbside pickup and an indemnity agreement with the Village but does not include communities with dumpster service. Do not block storm water drainage or access to utilities with debris.

Boil Water Notices:

If the water system loses power or water pressure, a boil water notice may be issued. Do not use untreated tap water. Tap water can be used after being brought to a rolling boil for one minute. An alternative is to add eight drops of unscented household bleach to a gallon of water and waiting 30 minutes before consuming.

Community Development Services:

After a storm teams will survey the Village, provide damage assessment reports, and determine if any structures are unsafe. Community Development will provide expedited manual permitting in the event of power outages and can be reached at the Village Hall location or by telephone at (561) 790-5128.

Know Your Flood Zone :

Everyone is at risk - even those who do not live close to rivers, lakes, canals, or the coast. The Village of Royal Palm Beach wants to remind people in moderate to low-risk areas that their risk is reduced, not removed. Call the Engineering Department at (561) 790-5103 to access FEMA's Flood Insurance Rate Maps (FIRM), to learn if a property is in a Special Flood Hazard Area, and if it may be affected by local drainage problems.

Signature Park

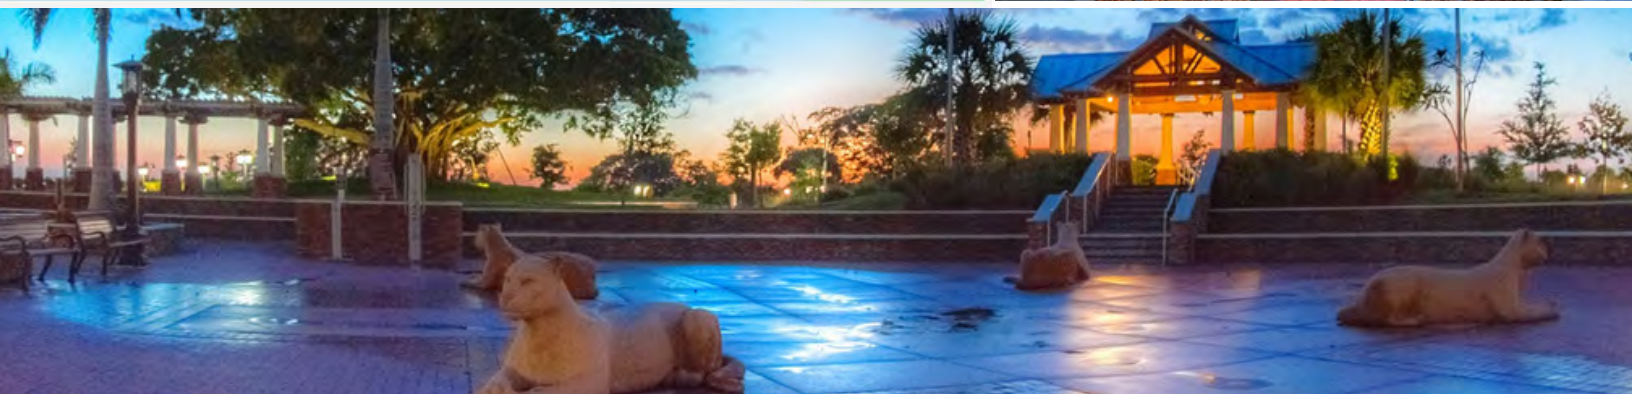

Three miles of paths wind their way around 160 beautiful acres, a 19 acre lake and surround a beautiful 17,000 s.f. facility available for your special occasion. A three story Sporting Center offers a dining area along with a 1900 s.f. furnished patio area all on the main floor, with a banquet room and veranda with seating for 200 located on the third floor.

There is a golf Training Center which includes a lighted driving range, 18 hole tournament green, and two chipping greens. On a hot day, enjoy the interactive splash fountain. For a special occasion, we have a banquet garden and wedding pavilion. Just looking for some outdoor fun? Try the sand volleyball courts, age appropriate playscapes, picnic pavilions/BBQ grills, fishing docks and a kayak launch. Your four-legged friends are welcome at our Dog Park offering water stations, covered pavilions, and fenced in areas for dogs of all sizes.

An Elegant Setting for Your Special Occasion

**THERE IS NOTHING LIKE IT
ANYWHERE IN THE
WESTERN COMMUNITIES**

The Royal Palm Beach Cultural Center just completed a top to bottom renovation. This opulent venue is perfect for your most important affairs. Featuring two kitchens equipped with refrigeration, warming ovens, prep tables, ice machines, utility sinks, and more, the culinary sky is the limit.

The Cultural Center is for rent by appointment only. Please call (561) 790 5196 Monday through Friday from 8:00am to 5:00pm for more information.

The Grand Ballroom can accommodate up to 295 people (banquet style) and 600 (theater style). Perfect for a larger wedding or event, the Grand Ballroom allows space for additional amenities available for reservation including, but not limited to, a portable dance floor, dressing room, podium, theatrical stage lighting and buffet style tables.
