Proposed
Pavilion Exterior
Render

D8

The existing Village Meeting Hall at 1050A Royal Palm Beach Blvd. will be converted into a 2,600-square-foot public rental facility with a maximum occupancy of 122 people. The interior space overlooking the pond will receive new windows, flooring, lighting, ceilings, and other architectural modifications. The proposed modifications will create a rental facility for multiple functions, such as weddings, social events, and meetings.

Contract was awarded to All-Site Construction (the same contractor who is working on the Commons Pavilions) for \$700,942.00.

Village Hall Demolition

The former Village Hall is currently in the process of being torn down to clear the way for completion of the Village Hall campus to take place. The demolition of the existing structure should be complete by the middle of November.

Corporate Picnic Pavilions

Construction on the Corporate Picnic Pavilions is coming along nicely and should be completed by the end of 2023.
