Information Systems

App Naming Contest

The Village of Royal Palm Beach is launching a new mobile app—and we need your help naming it! This app will be your one-stop shop for Village news, events, council updates, emergency alerts, and more. Submit your creative idea by September 15th for a chance to leave your mark on our community. Entries can be submitted online or dropped off at Village Hall. Keep it short, memorable, and uniquely local—your idea could become part of Village history!

Community Development

Notice to Commercial Property Owners & HOA Associations Upcoming and Ongoing Cooperative Property Review

The Village will continue to conduct Cooperative Property Reviews to help ensure that our commercial properties and common areas within homeowners' associations remain safe, well-maintained, and visually appealing.

As part of this initiative, Code Enforcement Officers will be observing properties throughout the Village. During their reviews, they will be identifying areas of concern such as:

- General property maintenance
- Landscaping and irrigation issues
- Signage condition and compliance
- Exterior building appearance

Parking lot upkeep and lighting

Rather than initiating formal enforcement action, our officers will provide a "Courtesy Notice" to the responsible property owner or association establishing communication and a time line for compliance. The purpose of this notice is to encourage voluntary compliance by bringing attention to maintenance needs before they become larger issues.

We appreciate your cooperation in this effort. Together, we can continue to uphold the high standards that make our community a safe, attractive, and thriving place for residents, businesses, and visitors alike.

If you have any questions about this program, please contact the Code Enforcement Division at 561-790-5138

Thank you for your partnership in maintaining the quality of our community.
