

VILLAGE OF ROYAL PALM BEACH

Agenda Item Summary

AGENDA ITEM:

Approval of the bid award in the amount of \$875,621.00 and authorization for the Village Manager to execute a contract with the lowest responsive, responsible bidder for Veterans Park Splash Pad Design Rebuild (PR2307) to Weller Pools LLC.

BACKGROUND:

The existing splash pad located in the center of Veterans Park was originally constructed in 2002. Components within the concrete slab of the splash pad have corroded beyond repair. The original scope of the project was limited to replacing the concrete slab and the corroded elements. During the design process, it was discovered that the gravity-fed and pressure water lines were damaged by tree roots and required replacement. After evaluating the scope of work required to replace the lines, we deemed it necessary to replace the equipment and water treatment vaults because they are approaching their expected service life.

ISSUE:

The Village solicited a request for proposals on April 1, 2024 and May 8, 2024 and did not receive any proposals. The third solicitation for proposals closed on May 17, 2024 and one proposal was received as outlined in the table below. Staff recommends awarding the contract to Weller Pools LLC, as they were the only responsive, responsible bidder.

BIDDER	BASE BID	DAYS
Weller Pools LLC.	\$875,621.00	150

Funds to come from Project PR2307 Veterans Park Splash Pad Design Rebuild, Account No. 302-7200-572.63-80

RECOMMENDED ACTION:

Staff recommends a motion to approve.
