RE: **Village Manager's Evaluation**

The Village Manager's Evaluation is scheduled as an agenda item for the Village Council's regular meeting to be held on May 19, 2022. I would recommend that we each evaluate our manager on an individual basis and synthesize our comments at the Council Meeting.

The evaluation standards that we have utilized in the Manager's evaluation are set forth below. These standards are simply submitted as an outline. Please rate Evaluation Standards from 1 – 5 with five being the highest and one being the lowest and explain.

## EVALUATION STANDARDS

1. Employee Relations: The handling of human resources correctly and getting the optimum from those resources;
2. Image: Village and Intergovernmental;
3. Long Range Planning: Future needs of our Village;
4. Financial Management: The management of all cash resources of our Village;
5. Communications with the Village Council; and
6. Completion/Direction of Capital Projects.

As always, this outline is not meant to be the final authority but to serve as a guideline for your discussion with our Village Manager, Raymond Liggins.
