

VILLAGE OF ROYAL PALM BEACH
Village Council
Agenda Item Summary

AGENDA ITEM:

Consideration of the approval and authorization for the Village Manager to enter into piggyback agreements with Herman Miller, Jasper Seating Company, Inc., Kimball International Brands, Inc., Knoll, Inc., Peter Pepper Products, Inc., Exemplis, LLC, Source International Corporation of MA and Claridge Products & Equipment, Inc. under current federal and state contracts for the purchase of products for the Village Hall Office Furniture project. The total cost for said services shall not exceed \$699,636.58 and funds will come from project EN2304 Village Hall Office Furniture.

BACKGROUND

At the 2022 Strategic Planning meeting, the “transition to new Village Hall: preparation for move and completion of relocation” was ranked as a “Top Priority” under the Management Agenda 2022-2023. The purchase and installation of the office furniture is an integral part of this plan. After evaluating the re-use of existing office furniture, it was determined that purchasing new furniture was more cost effective. The average age of the existing furniture is over ten (10) years old, and there are considerable costs to move and retrofit the existing furniture. The amount of coordination and staff time associated with the move to the new building will also be reduced with the new furniture option.

ISSUE:

Village Code permits the Village to purchase commodities or contractual services without competitive procurement under contracts of the federal government, the State of Florida and/or its political subdivisions provided the terms and conditions of the original contract have been extended to the Village; the original contract will be effective the same date as this “piggyback” agreement and extends through December 1, 2023 and Village Staff has surveyed the market to determine if the prices of the original contract are fair and reasonable. The above-referenced agreement conforms to these criteria. REG Architects and their sub-consultants worked with staff to create the proposed furniture pallet for the new Village Hall building. Due to the number of furniture manufacturers used, staff elected to piggyback existing state and federal contracts with the following list of manufacturers:

Manufacturer Name	Federal or State Contract Piggyback Contract ID	Proposed Village Contract Value
Herman Miller	56120000-19-ACS	\$163,298.67
Jasper Seating Company Inc.	56120000-19-ACS	\$35,562.67
Kimball International Brands, Inc. (formerly Kimball Office, Inc.)	56120000-19-ACS	\$268,377.24
Knoll, Inc.	56120000-19-ACS	\$35,580.00
Peter Pepper Products, Inc.	GS-27F-025DA	\$5,000.00
Exemplis, LLC (Sit On It)	56120000-19-ACS	\$63,416.37
Source International Corporation of MA	56120000-19-ACS	\$61,800.30
Claridge Products & Equipment, Inc.	PC68297	\$3,000.00
	10% Contingency	\$63,603.33
	Total	\$699,636.58

Due to the complexities associated with coordinating delivery and assembly of the furnishings, a single management and assembly company will be used to coordinate the proposed furniture project. Staff is attempting to piggyback an existing federal contract with WRK LAB for the said management and installation services which will be brought to Council

for consideration and approval at a future meeting.

A detailed schedule of costs is attached as Exhibit A.

Funds to come from Project EN2304; Account 303-3900-539.64-80

RECOMMENDED ACTION:

Staff recommends a motion to approve.

Initiator:	Village Manager	Agenda Date:	Village Council
	Approval:		Action:
