

Development Review Process

Village Council

You will need to apply 3 weeks prior to the Technical Staff Review (TSR) you want to be placed on and TSR meets the second and fourth Thursday of each month at 9:00 a.m. These meetings for the foreseeable future will be done via Zoom. You will receive a TSR Agenda prior to the meeting and within that agenda will be the login instructions. After the Application has been deemed Certified which means all the documents are correct and accurate you will be scheduled for the Village Council Meeting within 30 days. The Village Council meets the third Thursday of every month at 6:30 p.m. and these meetings are in person at the Village Council Chambers.

Should you wish to make a presentation at a meeting via Power Point, you need to send the Power Point presentation to the Village's Information Systems Department by 2:00 p.m. the day of the Village Council meeting. The email address to send the presentation is as follows: InformationSystems@royalpalmbeachfl.gov.

FINAL PLATS

Per Village Code Sec. 22-24 Final Plat Requirements.

Following Village Council approval, two (2) sets of grading, drainage and paving engineering plans shall be submitted for review. After review of the engineering plan is complete and the plan is acceptable, three (3) sets of final grading, drainage and paving plans including an electronic version shall be submitted for approval. A Certified cost estimate for grading, paving drainage and landscaping shall be included with the engineering plan submittal. An engineering and landscape plan review and inspection fee of three percent (3%) of the cost estimate shall be paid to the Planning and Engineering Department at the time engineering drawings are submitted.

Final Plat Procedures:

Final Platting is processed by the Village Engineer. After the preliminary plat has been approved by Village Council and after construction plans are approved, the Developer requests final plat approval with or without a bond.

Without a Bond:

All improvements must be complete and accepted by the appropriate maintaining agency.
Submit paper copy of final plat for review
Copy of maintenance bond (Value - 10% of infrastructure cost)
Certified cost estimate for improvements.
Covenants, Conditions and Restrictions and Association Documents

With a Bond:

Submit paper copy of final plat for review
Copy of bond (Value - 125% of infrastructure cost)
Certified cost estimate for improvements
Covenants, Conditions and Restrictions and Association Documents

The submitted documents will be forward to the Village Engineer, Village Surveyor, Village Attorney, and Village Planner for review and comments. Once approval is received, the developer is sent a letter asking for the Mylar and original bond. Once the Mylar is received signed, the Village Engineer signs and places on the next available Village Council agenda for approval. (For additional Final Plat requirements please see Village Code. Sec. 22-24)
