

**VILLAGE OF ROYAL PALM BEACH**  
**Village Council**  
**Agenda Item Summary**

**AGENDA ITEM:**

**Approval of the bid award in the amount of \$960,000.00 and authorization for the Village Manager to execute a contract with the lowest responsive, responsible bidder for the Commons Park Pathway Lighting (PR1903) project to Gerelco Traffic Controls, Inc.**

**BACKGROUND:**

At the 2020 Strategic Planning meeting the Commons Park Pathway Lighting was ranked as a Top “20” Capital Improvement project for 2020 under Goal #4 Abundance of Leisure Choices.

The project consists of installing fifty-five (55) concrete pedestrian light poles with LED fixtures associated service points, conduit, and wiring along existing pathways. Proposed lighting shall provide full illumination along main entrance pathways and ambient illumination along the entire perimeter pathway. Conduit will also be installed for a future Wi-Fi and CCTV camera project.

The project was originally awarded to National Traffic Control Systems Inc. on 10/21/2021. Council voted to cancel the award on 11/18/2021. Details concerning the cancelation can be found in the 11/18/2021 Council agenda item narrative.

**ISSUE:**

The Village solicited a request for bids on December 2, 2021. Four competitive proposals were received as outlined in the table below. Staff recommends awarding the contract to Gerelco Traffic Controls, Inc., as they were the lowest responsive, responsible bidder.
