N. Public Records

The City is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records law. Specifically, the Contractor shall:

- a. Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform this service.
- b. Provide the agency with access to public records at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law.

Meet all requirements for retaining public records and transfers to the City, at no cost, all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

The failure of the Contractor to comply with the provisions set forth in this section shall constitute a material breach of Agreement and shall be cause for immediate termination of the Agreement.

If the Contractor has questions regarding the application of Chapter 119 Florida Statutes, to the contractor's duty to provide public records relating to this contract, contact the custodian of public records at the City of Palm Bay purchasing

By executing this Agreement, Contractor affirms that it believes the schedule to be reasonable; provided, however, the parties acknowledge that the schedule might be modified as the City directs.

The Contractor agrees that all Work shall be prosecuted regularly, diligently, and uninterrupted at such a rate of progress that will ensure full completion thereof within the time specified.

P. Information

All information, including but not limited to data, documents, plans, and specifications furnished to or developed for the City by the Contractor or its employees, pursuant to this Agreement, excluding previously copywritten materials, shall be the sole property of the City and all rights therein are reserved by the City, except that the Contractor may disclose any such information to its corporate affiliates and their agents.

Q. Extra Work

The City, without invalidating this Agreement, may order changes in the Work within the general scope of this Agreement consisting of additions, deletions, or other revisions, the Agreement price and time being adjusted accordingly. All such changes in the Work shall be authorized by written Addenda to this Agreement, and shall be executed under the applicable conditions of the Agreement.

If the Contractor plans to make a claim for an increase in the Agreement price or an extension in the Agreement Schedule/Term, written notice shall first be given to the City within ten (10) calendar days after the occurrence of the event giving rise to such a claim. The Contractor shall give this written notice to the City, together with written approval secured from the Purchasing Agent before proceeding to execute the Work.

No claim for extra work will be considered valid by the City unless first approved by the City in writing with Contractor's claim submitted in writing.

R. Familiarity With The Work

The Contractor by executing this Agreement acknowledges full, total and complete understanding of the extent and character of the Work required and the conditions surrounding the performance thereof. The City will not be responsible for or be bound by any claimed misunderstanding of the Work to be furnished or completed, or any misunderstanding of conditions surrounding the performance thereof. It is understood that the execution of this Agreement by the Contractor serves as its stated unequivocal commitment to fulfill all the conditions referred to in this Agreement.

S. Title and Risk of Loss

The title and risk of loss to the Work shall pass from the Contractor to the City upon the City's final acceptance of the Work.

T. Independent Contractor, Assignment and Subcontracts

U. Inspection and Non-Waiver

Contractor shall permit the representatives of City to inspect and observe the Work at all times.

The failure of City to insist upon strict performance of any other terms of this Agreement or to exercise any rights conferred by this Agreement shall not be construed by Contractor as waiver of City's right to assert or rely on any such terms or rights on any future occasion or as a waiver of any other terms or rights.
