## VILLAGE OF ROYAL PALM BEACH

### Agenda Item Summary

#### **AGENDA ITEM:**

**Approval of the conceptual design for the Southern Blvd. and Royal Palm Beach Blvd. intersection entry feature.**

#### **ISSUE:**

At the 2019 Strategic Planning meeting the Southern/Royal Palm Beach Gateway was ranked as a Major Project under Goal #3 Beautiful, Convenient Community. The project was then added to CIP with design funding in 2019-20 and construction funding in 2020-21. The total approved project funding is \$200,000.

In October of 2019, Cotleur & Hearing was hired to re-design the existing entry feature in order to modernize the feature and implement design motifs from recent Village parks and building themes.

A six-person selection committee independently evaluated and ranked the design options on 7/28/2020. The committee consisted of:

1. Raymond Liggins, Village Manager
2. Christopher Marsh, Village Engineer
3. Paul Webster, Public Works Director
4. Robert Hill, Community Development Director
5. Lou Recchio, Parks and Recreation Director
6. Adamo DiSisto, Project Engineer

The six person group short listed the options and the two top ranked options are attached as Exhibit A. Staff is recommending Council to approve option 1.

Funds to come from Project EN2002, Account No. 302-3900-539.46-60

#### **RECOMMENDED ACTION:**

Staff recommends a motion to approve option 1.
