The monthly lease payment is subject to an annual adjustment in price at discretion of the VILLAGE upon a thirty (30) days' advanced written notice to LESSEE.

3. **USE OF PROPERTY:** The Facility shall be used only and solely for the parking of the vehicle or vessel described in Section 1 above. The VILLAGE shall establish and promulgate such rules and procedures as it deems necessary for the proper and efficient operation of said Facility. 7. **NON-PAYMENT; BREACH OF COVENANTS. TERMS OR CONDITIONS; AND TERMINATION:**

(a) **Time for Performance:** Performance by the LESSEE under this Lease Agreement must be achieved before 5:00 p.m. on the day that performance is due, unless performance is due on a Saturday, Sunday, or holiday where the VILLAGE is not open for business. If performance is due on a Saturday, Sunday or holiday where the VILLAGE is not open for business, then performance shall be due before 5:00 p.m. on the next business day that the VILLAGE is open for business. For violations of Exhibit "A", Paragraph 13 (hazardous/dangerous conditions), removal of the vehicle or vessel pursuant to Exhibit "A", Paragraph 12, and for removal of the vehicle or vessel at the end of the Lease term in accordance with Section 7(d) below, performance by the LESSEE must be achieved before 5:00 p.m. on the day performance is due regardless of whether such day is a Saturday, Sunday or holiday where VILLAGE is not open for business.

(b) **Breach for Non-payment of Rent:** The LESSEE shall ensure that the monthly lease payment as stated in Section 2 above is received at the VILLAGE on or before the 1st day of each calendar month. Failure to pay on or before the 5th day of the month shall constitute a breach of this Lease Agreement and will result in a Twenty-five Dollar (\$25.00) late fee. Failure to pay all outstanding monthly lease payments and late fees on or before the 25th day of the month shall result in lot access being denied immediately thereafter. Notice to the LESSEE is not required before late charges are applied or before lot access is denied. To regain access to the Facility, all outstanding monthly lease payments and late fees must be paid plus an additional Twenty-five Dollar (\$25.00) access reinstatement fee. Should payment not be received on or before the 30th day of the month, the Lease Agreement shall automatically terminate, the LESSEE waives all right of notice to vacate, the VILLAGE shall be entitled to re-enter and take possession of the leased area immediately, and the VILLAGE may have the vehicle, vessel and any contents removed from the Facility to the nearest storage lot with subsequent towing and storage charges to be paid by the LESSEE prior to the release of the vehicle, vessel and contents from the storage lot. The "nearest storage lot" shall be made at the sole determination of the VILLAGE. Within five (5) business days after removal, the VILLAGE shall send written notice to the LESSEE in accordance with Section 11 below of the location of the storage lot where the vehicle, vessel and any contents can be claimed. Notice to the LESSEE prior to removal of the vehicle, vessel and contents from the Facility is not required. Should the LESSEE fail to claim the vehicle, vessel and any contents and pay all outstanding towing and storage fees

within thirty (30) days of removal from the Facility, the VILLAGE may consider the vehicle, vessel and any contents abandoned by the LESSEE, and auction the same at public auction. The proceeds of any such auction shall be used to satisfy all towing and storage charges, monthly lease payments, late charges, attorney's fees and costs, and other charges, expenses or fees incurred by the VILLAGE as a result of the LESSEE's breach of this Lease Agreement, the VILLAGE'S removal of the vehicle, vessel and contents from the Facility, and/or the VILLAGE'S auction of the vehicle, vessel and contents. After all towing and storage charges, and the VILLAGE expenses, costs, charges and fees have been satisfied, any remaining auction proceeds shall be remitted to the LESSEE. By signing this Lease Agreement, the LESSEE hereby gives consent and permission for the VILLAGE to remove the vehicle and contents from the Facility and auction of same in accordance with the terms stated herein. The indemnity provision outlined in Section 5 above applies to all actions of the VILLAGE with respect to removal of the vehicle, vessel and any contents from the Facility, and the auction of same. The VILLAGE also shall be entitled to pursue all other available remedies at law or in equity against the LESSEE for breach of the Lease Agreement.

(c) Other Breaches of Lease Agreement: Should the LESSEE breach any other covenants, terms or conditions of this Lease Agreement including, but not limited to, the rules and regulations for the Facility outlined in the attached Exhibit "A", the VILLAGE shall give written notice to the LESSEE to remedy such breach within five (5) business days from the date of such notice. In the event that the LESSEE fails to remedy the breach to the satisfaction of the VILLAGE within five (5) business days from the date of the written notice, the VILLAGE may terminate this Lease Agreement immediately with no additional notice to the LESSEE. In the event of termination, the LESSEE waives all right of notice to vacate, the VILLAGE shall be entitled to re-enter and take possession of the leased area immediately, all amounts due and owing shall become immediately due and payable, the VILLAGE may immediately remove and/or auction the vehicle, vessel and contents according to the procedure outlined above, and the VILLAGE shall be entitled to pursue all other available remedies at law or in equity against the LESSEE for breach of the Lease Agreement.

(d) Termination: Either party may terminate the Lease Agreement for any reason upon thirty (30) calendar days' written notice to the other party. If the LESSEE has not vacated the Facility on the last day of the Lease Agreement, then the LESSEE waives all right of notice to vacate, the VILLAGE shall be entitled to re-enter and take possession of the leased area immediately, the VILLAGE may remove and/or auction the vehicle, vessel and contents according to the procedure outlined above, and the VILLAGE shall be entitled to pursue all other available remedies at law or in equity against the LESSEE to enforce the terms of this Lease Agreement.

(e) New Lease After Termination: In the event the Lease Agreement is terminated pursuant to Section (7)(b) above, the VILLAGE, in its sole opinion and discretion, may enter into a new Lease Agreement with the LESSEE so long as the LESSEE pays all outstanding monthly lease payments, late fees, and access reinstatement fees due to the VILLAGE under the terminated Lease Agreement prior to the new Lease Agreement becoming effective. Additionally, the LESSEE shall be required to pay a security deposit to the VILLAGE prior to the new Lease Agreement becoming effective. The security deposit shall be in an amount equal to three (3) months' rent. The security deposit, without interest, shall be refunded to the LESSEE upon termination of the new Lease Agreement so long as the LESSEE is current on all obligations and has notified the VILLAGE in writing of where to send the refund. The LESSEE shall not apply the security deposit as rent without the VILLAGE's prior written consent. In the event the Lease Agreement is terminated for any reason other than termination under Section (7)(b), the VILLAGE, in its sole opinion and discretion, may enter into a new Lease Agreement with the LESSEE and impose any additional conditions or restrictions on the LESSEE as necessary.

8. **PARTIAL INVALIDITY; SEVERABILITY**: If any term, covenant, condition or provision of this Lease Agreement shall be ruled by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

9. **NO WAIVER OF BREACH**: The failure of the VILLAGE to insist in any one or more instances upon strict performance of any one or more of the covenants, terms and conditions of this Lease Agreement shall not be construed as a waiver of such covenants, terms and conditions, but the same shall continue in full force and effect, and no waiver of the VILLAGE of any one of the provisions hereof shall in any event be deemed to have been made unless the waiver is set forth in writing, signed by the VILLAGE.

10. **INSURANCE REQUIREMENTS**: During the term of this Lease Agreement, the LESSEE shall procure and maintain vehicle/vessel liability and property damage insurance in amounts not less than the replacement value of the vehicle/vessel. **Annually, the LESSEE shall provide the VILLAGE with proof of insurance.**

No other use of the space is permitted. Commercial vehicles and storage trailers (open or enclosed) are strictly prohibited. The Facility shall be available to the LESSEE twenty-four (24) hours per day. Further, no boat/vessel trailer parked at the Facility shall be used to store commercial equipment, materials, supplies or vehicles.
3. Rentals and space location shall be on a first come, first serve basis. Rentals shall be limited to one (1) space per household with the exception of the 50ft. spaces as they are comprised of two connecting 25 ft. spaces for use as one (1) space. Rentals shall be limited to the rotating storage of no more than two (2) vehicles or vessels in any one leased space at any given time.
4. The LESSEE shall be a resident of the Village of Royal Palm Beach at all times during the term of the Lease Agreement. Proof of residency, as evidenced by a valid Florida Driver's License or voter's registration card, plus a copy of a current utility bill (electric, water) shall be provided to the VILLAGE prior to commencement of the Lease Agreement. Current registration is required for recreational vehicles, boats and/or boat/vessel trailers at all times during the Lease Agreement and must match the established residency address in the Village of Royal Palm Beach. Vehicle tags must be visible and properly displayed at all times. **Annually, the LESSEE shall provide proof of current registration for all recreational vehicles, boat/vessel trailers or vessels stored at the Facility to the VILLAGE.**
5. The LESSEE acknowledges and understands that the Facility is located within a Florida Power & Light Company ("FPL") transmission easement and is governed by a Right-of-Way Consent Agreement between the VILLAGE and FPL dated November 5, 2015. To the extent of any conflict between this Lease Agreement and the Right-of-Way Consent Agreement, the Right-of-Way Consent Agreement controls.
6. The LESSEE acknowledges and understands that the electrical facilities and appurtenances installed or to be installed by FPL within the FPL transmission easement are of high voltage electricity and the LESSEE agrees to use all safety and precautionary measures when using the Facility.
7. No washing (including pressure washing) of vehicles, boat/vessel trailers or vessels within the Facility or other area within the FPL transmission easement shall be permitted with the exception of the wash down area at the Facility. 10. No flags, antennas, satellite dishes or other objects shall extend above the top of the roof any vehicle or boat/vessel trailer or above the top of a vessel while the vehicle or vessel is inside the Facility or other area within the FPL transmission easement.

11. The maximum height of all vehicles, and vessels on trailers (including a fully erected mast) within the Facility or other area within the FPL transmission easement shall be limited to 12-feet as prescribed per Table 3-2, Design Vehicles, of the Florida Department of Transportation Manual of Uniform Standards for Design, Construction and Maintenance for Streets and Highways.
12. The VILLAGE or FPL from time-to-time may require the relocation or removal of the recreational vehicles, boats and/or boat/vessel trailers from the parking spaces and areas within the Facility, which interfere with or prevent the VILLAGE or FPL, in their sole opinion, from properly and safely constructing, improving or maintaining respective facilities. Relocation or removal of the vehicle, boats and/or boat/vessel trailers shall be made at the sole cost and expense of the LESSEE and at no cost and expense to the VILLAGE and FPL.
 - a. Non-emergency Relocation or Removal: In the event a removal or relocation of vehicles/boats/trailers is needed for the performance of routine maintenance activities by the VILLAGE or FPL, the VILLAGE shall provide the LESSEE with ten (10) days' written notice that the vehicles, boats and/or boat/vessel trailers need to be removed from the Facility or relocated within the Facility. If the LESSEE, for any reason, fails to make such relocation or removal within the time stated, the VILLAGE or FPL retains the right to enter the Facility and make the relocation or removal from the parking spaces and other areas, and the LESSEE agrees to reimburse the VILLAGE or FPL for any and all costs, fees and expenses associated with such relocation or removal upon demand. The VILLAGE shall be entitled to pursue all available remedies at law or in equity against the LESSEE to enforce this provision.
13. The LESSEE shall not create any environmental, dangerous or hazardous conditions at the Facility. The LESSEE agrees that it will not use the Facility in any manner which, in the opinion of the VILLAGE or FPL, may tend to interfere with the VILLAGE's use of the Facility and FPL's use of the transmission easement, or may tend to cause an environmental, dangerous or hazardous condition to exist. The LESSEE agrees that no hazardous substance (normal amounts of gasoline present in vehicle and vessel gas tanks is excluded), as the term is defined in Section 101 (140 of the Comprehensive Environmental Response Compensation and Liability Act ("CERCLA") (42 USC § 9601[14]), petroleum products, liquids or flammables shall be placed on, under, transported across or stored at the Facility. The VILLAGE shall be entitled to pursue all available remedies at law or in equity against the LESSEE to enforce this provision.

18. The LESSEE shall not destroy, deface, damage, impair, alter, modify or remove any part of the Facility, nor permit any other person to do so. Should the LESSEE cause damage to any portion of the Facility including, but not limited to, landscaping, sprinkler systems, gates and fencing, light poles, and asphalt, the VILLAGE shall invoice the LESSEE and the LESSEE shall pay for the cost of repair and/or replacement of the damaged materials upon demand.
