OPEN MESSAGE TO MAYOR AND VILLAGE COUNCIL

Message to Mayor and Village Council

To the Mayor and Village Council:

RPB is desirable as a family-friendly suburb. It is not a high-density city. With higher density comes decreases in quality of community resources. Light rail may decrease traffic if people use it. As a mother of young children, I will not. I know many others who would not either. Please don't compromise our quality of life for the sake of packing in more people.

To the Mayor and Village Council:

- First of all, thank you for this input meeting. I'm grateful to learn you just hired a full-time employee for Community Outreach (Miranda) to continue seeking more input from residents. I would love to see solar panels, more shade trees in Commons Park, improved safe biking paths connecting more of our community.
- Health-conscious yoga!
- Staff counselor

To the Mayor and Village Council:

- More EV charging stations

To the Mayor and Village Council:

- What is occupancy of theatre bowling alley?
- What stores will be there?
- Will trees be replaced?
- What about security?

To the Mayor and Village Council:

- Speed bumps for Bob White Rd

To the Mayor and Village Council:

- Great job overall on running the Village

Judith Kohler

To the Mayor and Village Council:

- Traffic mitigation
- Police presence at Rec Center

To the Mayor and Village Council:

- This was a very good exercise
- Maybe you can send Agenda when confirming our attendance
- Noise from vehicles is seemingly out of control
- Concerned about theft! (Seems to be an issue now.)

Zoey Johnson

To the Mayor and Village Council:

- You do a great job!
- Thank you for this opportunity. Thank you for listening to the residents. We have the best Town Council. Thank you for slowing growth and addressing the traffic issue.

Karen Klotz

To the Mayor and Village Council:

- I congratulate you overall on the job you are doing. I encourage you to take things slow, resist the SR 7 density proposed.
- Do not build the proposed Bob White to Commons bike path, with proper traffic control. It is not needed. Additional entrances to the park like the previous 180 Sandpiper Ave connection should be pursued as an alternative

To the Mayor and Village Council:

- More open communication – communication.
- Encouragement to be involved in Royal Palm Beach.

To the Mayor and Village Council:

- Please keep our taxes low and the small town, family atmosphere. Consider the impacts of traffic and how we can address this moving forward.
- Thank you for your service and being available to all the residents of RPB.

To the Mayor and Village Council:

- Open forum is an excellent way to get citizens' input.

To the Mayor and Village Council:

- Density to justify the need for additional mass transportation.
- Allow the free market to transform the 441 corridor and keep it commercial. Buildings no taller than 3 stories.
- Thank you for our affordable taxes, clean parks and village-like atmosphere.

To the Mayor and Village Council:

- Please convince the Palm Bch County Tax Dept to bring an office back to Royal Palm Bch.
- Thanks for all you do.

To the Mayor and Village Council:

- Appreciate your work.
- Please keep us informed,
- Thank you.

To the Mayor and Village Council:

- Golf cart use – has there been any consideration for the Village as in Wellington?

To the Mayor and Village Council:

- Assure that the infrastructure upgrades and improvement run parallel with the projects.

To the Mayor and Village Council:

- Thank you for all you do.

To the Mayor and Village Council:

- Can we change the rules about utility sheds being seen from the road?

Hello Mr. Mayor:

- There needs to be an open forum for you to sit and talk to the citizens.
Jerry Sneed
561 723-5497

Mr. Pinto!

- Great meeting you tonight.
- I would love some roundabouts on Crestview in Madison Green.
- Thank you.
Renate Wallner
